Occupying the hall floor of an elegant Grade II listed building on prestigious Elton Road, this charming apartment enjoys an enviable front-line position with views across Clevedon's famous seafront and the Bristol Channel. Brimming with period character and impressive proportions, the property offers an exciting opportunity for a new owner to modernise and create a truly exceptional coastal home, all while retaining its wealth of original charm.

The accommodation is arranged around a spacious central hallway, an inviting area that could easily accommodate a study, reading corner or library-style space. To the front, both the generous living room and the kitchen/dining room take full advantage of the spectacular outlook, where large Georgian sash windows frame ever-changing coastal views and flood the rooms with natural light. High ceilings throughout further enhance the feeling of space and elegance. To the rear are two comfortable double bedrooms, with the principal bedroom benefiting from its own en-suite shower room, while the second bedroom is served by a family bathroom.

Outside, the property enjoys the practical advantage of an allocated parking space to the rear, together with use of the attractive communal front garden, providing the perfect spot to sit and appreciate the stunning coastal setting.

The promenade and beach are just moments from the doorstep, while the boutique shops, independent cafés, restaurants and bars of Hill Road are all within an easy stroll. Whether enjoying coastal walks, dining with friends or simply watching the sunsets across the Bristol Channel, this location offers an outstanding lifestyle.

Offered for sale with no onward chain, this elegant apartment presents a rare opportunity to acquire a substantial period home in one of Clevedon's most sought-after waterfront locations, ready to be transformed into a truly magnificent residence.

"An elegant period apartment where breathtaking coastal views, timeless proportions and an exceptional location create something truly special."
