

Addison Avenue, W11

Addison Avenue, W11

A low built and wide Grade II listed house on the Eastern terrace of Addison Avenue, W11.

Currently arranged as having a family room, kitchen and utility room on the Lower Ground floor, opening out on to the patio and the charming 67' private garden. There is a home office (centrally heated, with w/c and sink) at the end of the garden, together with a useful car port that opens onto Princes Place.

The Raised Ground Floor has a glorious double reception that leads onto a terrace overlooking the garden, with a sweeping staircase (wide enough for two) down to the ground floor.

The First Floor has the principal bedroom to the front of the house, a further bedroom to the rear, and an ante room and bathroom which both could be incorporated subject to consent to form a principal suite.

Two further bedrooms and a shower room complete the accommodation on the Second Floor.

Addison Avenue is a superb location and is positioned only moments away from the café culture and excellent transport links on Holland Park Avenue with the underground station offering direct access to the City and West End. The open spaces of Holland Park are also within a few minutes' walk, as is The Westfield shopping complex with an overground link to Clapham Junction.
