SALES AND LETTINGS SPECIALISTS

34 Links Road, London, SW17 9ET

£725,000

A lovely period house available for sale in the alphabet grid at the London road end of Links road.

This property does require modernisation but benefits from a large loft conversion. This means the home boasts four genuine double bedrooms and two bathrooms. There is a fifth room on the first floor but I have refrained from calling it bedroom five because of its size, however it could easily be a cot room or a nice home office. Loft rooms are not cheap nowadays so this addition will save anyone the thick end of £100,000 pounds.

The rear garden has a good size outbuilding with lighting and power. This could continue as a workshop or a home Gym even a spacious office area. Located at the London road end of links road so it is very convenient for the Tooting Thames link overground station. Tooting Broadway 24 hour Northern line tube is approximately 15 minutes' walk away as are all the amenities this fast appreciating area has to offer.
