Accommodation comprises: Entrance hall, cloakroom/WC, open-plan kitchen/living/dining room, three bedrooms and a family bathroom. Additional benefits include gas central heating, double glazing, landscaped rear garden, driveway parking and a garage. Viewing is highly recommended.

Location:

Cheshire Rise forms part of the popular Rutherford Fields, a modern and family-oriented development on the edge of Leighton Buzzard. The area is well regarded for its proximity to highly rated local schools, green open spaces and everyday amenities. Leighton Buzzard town centre and mainline railway station, with direct services to London Euston, are within easy reach, while excellent road links provide convenient access to the M1 and surrounding road networks.

Ground Floor:

The property is entered via a welcoming entrance hall with stairs rising to the first floor and access to a cloakroom/WC. To the rear of the property is where this home truly stands out. The open-plan kitchen/living/dining room occupies the majority of the ground floor and has been designed to create a seamless and sociable living space. The kitchen is fitted with a modern range of wall and base level units with integrated appliances, while the layout provides ample worktop space and storage. The room flows naturally into the dining area, which comfortably accommodates a family sized table, and the living space — a bright and inviting area with plenty of room for furniture. Double glazed doors open directly onto the rear garden, allowing natural light to pour in and enhancing the connection between indoor and outdoor living. The overall feel is one of space, light and versatility - perfectly suited to both everyday family life and entertaining.

First Floor:

The first floor landing provides access to all three bedrooms and the family bathroom. There are two generous double bedrooms, each offering ample space for a range of furniture, while the third bedroom is currently arranged as a bedroom, making the layout ideal for growing families, guests or home working. The family bathroom is fitted with a modern suite comprising a low level WC, wash hand basin and panel bath with shower over, finished with complementary tiling

Outside:

To the front of the property is a driveway providing off-street parking and access to the garage. The rear garden has been landscaped to create an attractive and usable outdoor space, with a patio area directly off the living space - ideal for entertaining - and the remainder is laid mainly to lawn.
