This unique home blends traditional character with flexible modern living, making it ideally suited to a wide range of buyers including families, downsizers or those seeking adaptable work from home space.

The property is entered via a welcoming entrance vestibule leading into a broad reception hallway, setting the tone for the scale and flow of the accommodation throughout. The principal living room is a bright and inviting space, enhanced by a charming traditional gas fireplace, creating a warm focal point for relaxing or entertaining. A well proportioned breakfasting kitchen provides excellent workspace and storage, with direct access to a rear utility/vestibule for added convenience.

Further living space is provided by a comfortable family room, again featuring a traditional style gas fireplace, alongside a separate sitting room which offers flexibility and leads through to a third bedroom, ideal as a guest suite, home office or private retreat. There are three well sized bedrooms in total, complemented by both a family bathroom and a separate shower room, enhancing practicality for modern family life.

Externally, the property enjoys beautifully maintained private garden grounds, thoughtfully landscaped with areas of lawn and patio, perfect for outdoor dining and entertaining. The gardens are bordered by mature hedging and stone walls, providing a high degree of privacy, while a number of established trees add to the peaceful, leafy setting. A large driveway to the front offers ample off-street parking for multiple vehicles and leads to an attached double garage, providing excellent storage or workshop potential.
