Situated on Holywell Road, this 1st floor 2 bedroom flat is situated in the very heart of Cubert. The village is very popular with a range of amenities to include a Post Office, pub, bakery and popular Primary School as well as being within a short drive to Newquay and Truro. Its proximity to Holywell Bay is the main attraction which is just a couple minute drive or a 20 minute walk offering a truly breathtaking beach as well as the newly open Holywell Beach Bar.

The apartment had a complete refurbishment in 2023 with all new wiring, heating, carpets, bathroom and kitchen and has use of a small outside area to the front and storage cupboard underneath the staircase.

From the ground floor a private entrance to the rear provides access to an internal stairwell raising to the first floor. The first floor presents a bright open plan lounge/kitchen/diner stretching from the front to the rear of the property. To the front are triple aspect windows the neighbouring church bell tower centred in the window. The recently refurbished walls and ceilings provide a modern mixed contrast against the patinaed original floorboards. To the rear is a modern gloss white kitchen with compact laminate worktop with an integral dishwasher and washing machine.

Off the diner is the shower room which has a large shower cubicle, low level WC and pedestal basin with an electric towel rail and large recess which would make good towel and linen storage.

A small corridor from the lounge gives access to the 2 double bedrooms with the master to the front and

second to the rear.

The property has sole use of a large loft and has been fully refurbished throughout, presented in a fantastic condition.
