Occupying a delightful position overlooking the village green in the heart of Bacton, this beautifully presented three-bedroom detached family home combines modern efficiency with spacious and versatile living accommodation. Benefiting from an energy-efficient air source heat pump and underfloor heating throughout the ground floor, the property has been thoughtfully designed to provide comfort, practicality and stylish family living. A welcoming entrance hallway leads through to a bright and spacious sitting room, where French doors open directly onto the rear garden, creating a seamless transition between indoor and outdoor living. The impressive kitchen/dining room forms the heart of the home, offering an ideal space for both everyday family life and entertaining. Fitted with a comprehensive range of modern units and integrated appliances including a fridge/freezer, dishwasher, oven and hob, the kitchen also benefits from cleverly concealed integrated washing machine and tumble dryer, providing a practical utility area whilst maintaining a sleek finish. French doors provide further access to the rear garden, while a convenient ground floor cloakroom completes the accommodation.
