SITUATION

Brookfield House is situated in the sought after East Devon village of East Budleigh - an Area of Outstanding Natural Beauty, which is a charming historic village and the birthplace of Sir Walter Raleigh (b.1552). There is a range of facilities including a pub, a fine church, a primary school (Ofsted: Good) and an active community shop. It is under two miles from the coastal resort of Budleigh Salterton, which has an extensive range of facilities and access to a pretty, unspoilt pebbled beach, whilst a sandy beach at Exmouth is about six miles. The university and cathedral city of Exeter (10 miles) has a range of facilities befitting a centre of its importance with railway stations on the Waterloo and Paddington lines and its international airport.

East Budleigh is west of the delightful River Otter valley where there are attractive walks whilst The Common, Bicton Common and Woodbury Common are just a few miles to the west providing wonderful countryside for walking, bird watching and horse riding.

Adjoining the dining room at the rear of the property, with windows overlooking the garden is a kitchen/breakfast room fitted with a range of wood fronted base and wall units with a ceramic sink and drainer unit, space for a dishwasher, a gas hob with electric oven under and an Aga with two hot plates. Leading off the kitchen is a utility room and beyond this a back porch with a door into the garden.

On the first floor, at the top of the stairs is a good sized landing with doors leading to the 5 bedrooms. To the front are two doubles with windows to the front, the master being on the right hand side with a door to an en-suite shower rooms and there are 2 further doubles and a single. Also leading off the landing is a family bathroom with panel bath, low level W.C and a hand wash basin.

OUTSIDE

To the side of the house, double wooden gates open to a driveway area to the side of the house providing off road parking for one car, or as currently used an attractive gravelled seating area and to the rear is a detached garage/coach house with two floors with a recently replaced roof with skylights that could, subject to the usual planning consents be converted into an annexe or office space.
