THE PROPERTY

A substantial and beautifully presented five-bedroom detached family home, occupying a pleasant position along a no-through road and offering generous accommodation across two floors. Built just two years ago, the property provides the benefits of a modern home while offering an impressive amount of space for a growing family.

The ground floor is centred around the superb open-plan kitchen, dining and living area, creating a fantastic everyday family and entertaining space with direct access out to the rear garden. A separate living room provides a more relaxed reception space, while the additional home office is ideal for those working remotely. A separate utility/laundry room, downstairs WC and useful storage complete the ground-floor accommodation.

Upstairs, the sense of space continues with five well-proportioned bedrooms, providing plenty of flexibility for families, guests or further home-working space. The bedrooms are complemented by two bathrooms, making the layout particularly practical for a larger household.

Outside, the property enjoys an enclosed rear garden with a patio seating area and a generous lawn, providing plenty of scope for buyers to landscape and personalise over time.

To the front and side, the property benefits from a private driveway leading to a detached garage, providing excellent off-road parking and additional storage. An EV charging point is also already installed, adding another useful feature to this modern home.

With its substantial accommodation, contemporary layout, solar panels, five bedrooms and quiet no-through-road position, this is a superb opportunity for buyers looking for a spacious, nearly-new family home.
