Ground Floor

Upon entry, a useful porch provides space for coats and shoes before opening into the welcoming open-plan sitting and dining area. A large front-facing window fills the room with natural light, while stairs rise to the first floor and there is access to the kitchen and garden room. An electric fire provides a focal point to the room, creating a warm and inviting feel. The modern kitchen is well equipped, with a good range of wall and base storage units and a comprehensive selection of integrated appliances, including oven, hob with extractor over, washing machine, fridge/freezer and dishwasher. The versatile garden room is accessed from both the kitchen and dining area and provides a lovely additional space, with a large window overlooking the rear garden and a single door providing direct access outside.

Rising to the first floor, the landing provides access to all three bedrooms and the family bathroom. The principal bedroom is a generous double, featuring a built-in wardrobe and full-height window which floods the room with natural light. Bedroom two is also a well-proportioned double, enjoying a pleasant outlook over the rear garden and built in storage, while bedroom three is a good-sized single with built in storage and would also make an ideal home office or study. The family bathroom is well appointed and comprises a shower over the bath, WC and wash basin.
