Positioned at the end of a peaceful close within the popular Hawthorn Meadows development, 11 Brinton Close is a beautifully presented four-bedroom detached home with a surprising amount of space, privacy and an attractive outlook. With open green space and trees to the front, a mature landscaped garden to the rear and a substantial garden room/workshop tucked away within the grounds, the property has a particularly pleasant sense of separation from the wider development. The accommodation is arranged over two well-balanced floors, with a generous sitting room, open-plan kitchen/diner, utility area, cloakroom, integral garage, four bedrooms, two bathrooms and a principal suite with ensuite facilities. Well maintained throughout, this is a comfortable, practical and quietly impressive family home in a highly convenient position for East Cowes, Whippingham, the River Medina and mainland ferry links.

Hawthorn Meadows is situated within Whippingham, an area known for its attractive semi-rural surroundings, proximity to the River Medina and historic links with Queen Victoria and the nearby Osborne estate. The setting is particularly well placed for those wanting access to both countryside and coast, with nearby woodland, river walks, East Cowes Marina and the seafront all within easy reach. East Cowes town centre offers a good range of everyday amenities including independent shops, cafés, a Waitrose supermarket, convenience stores and local schooling, while the popular Folly Inn is also nearby beside the Medina. For commuters and regular mainland travellers, the Red Funnel car ferry to Southampton is less than two miles away, and there are regular bus routes connecting East Cowes with Newport, Ryde and other parts of the Island. Just across the Medina, Cowes is renowned for its sailing heritage, vibrant waterfront and high-speed passenger service to the mainland, making this a convenient and well-connected location from which to enjoy Island life.

### **Welcome to 11 Brinton Close**

The position immediately feels more private than many homes within the development, with the house enjoying a lovely outlook across the open green space opposite, framed by established trees. A covered entrance porch shelters the front door, opening into a practical entrance hall.

### **Entrance Hall**

The entrance hall provides a useful arrival point to the property, with space for coats and shoes and direct access into the ground floor accommodation. From here, a door leads into the sitting room.

### **Sitting Room**

The sitting room is a generous, comfortable space with a broad front-facing window drawing in natural light and framing the leafy outlook towards the open green. Warm neutral tones and soft carpeting create an inviting everyday living area, while the open connection through to the kitchen/diner gives the ground floor a sociable and easy-flowing layout.

### **Kitchen/Diner**

Set to the rear, the kitchen/diner forms the heart of the home, offering ample space for cooking, dining and entertaining. The kitchen is fitted with a range of contemporary neutral cabinets, wood-effect worktops, a gas hob, oven, extractor, dishwasher space and a large window overlooking the rear garden. The dining area features double doors opening directly to the terrace, creating a natural connection between the indoor living space and the garden beyond.

### **Utility Area**

Positioned just off the kitchen, the utility area provides additional storage and appliance space, with a door opening to the rear garden. This is a useful everyday zone, keeping laundry and household tasks neatly separate from the main kitchen/dining space.

### **Cloakroom**

The ground floor cloakroom is a practical addition for family life and guests, fitted with a WC and hand basin, with an obscure glazed window allowing natural light.

### **First Floor Landing**

The first floor landing is light and well arranged, with doors to all four bedrooms and the family bathroom. The layout works especially well for families, giving each room a clear sense of separation and flexibility. There is also a hatch which provides access to the well-insulated and boarded loft.

### **Bedroom One**

Bedroom one is a generous principal bedroom positioned to the front of the house, enjoying a pleasant outlook over the green space and trees. There is plenty of room for freestanding bedroom furniture, and the room benefits from its own ensuite shower room.

### **Ensuite Shower Room**

The ensuite is fitted with a shower enclosure, w.c. and hand basin, providing a convenient private facility to the principal bedroom.

### **Bedroom Two**

Bedroom two is a substantial double bedroom, also set to the front of the property and enjoying the same attractive outlook. Its generous proportions make it ideal as a guest room.

### **Bedroom Three**

Bedroom three is positioned to the rear of the house and would work well as a child's bedroom, nursery, luxurious dressing room or home office. A rear-facing window overlooks the garden.

### **Bedroom Four**

Bedroom four is another well-proportioned bedroom, currently used as a study, demonstrating the flexibility of the layout. It provides a quiet and practical space for home working, hobbies or additional bedroom accommodation.

### **Family Bathroom**

The family bathroom is fitted with a bath with shower attachment, a WC, hand basin and heated towel rail. An obscure glazed window provides natural light and ventilation.

### **Integral Garage**

The integral garage is accessed from the driveway, making it ideal for secure storage, bikes, tools or potential workshop use, subject to requirements. It also provides excellent practical value alongside the driveway parking.

### **Rear Garden**

The rear garden has been landscaped to create a series of attractive and usable spaces, with a paved terrace directly outside the house, steps up to a lawned garden, mature planting, trees and established borders. A built-in seating area creates a lovely spot for outdoor dining or evening drinks, while the planting gives the garden a private, sheltered feel.

### **Garden Room/Workshop**

Set within the rear garden is a substantial garden room/workshop, offering a superb additional space away from the main house. With power, lighting, work surfaces and garden access, it could suit a range of uses including hobbies, storage, a workshop or a creative workspace.

### **Front Garden & Parking**

To the front, the property benefits from driveway parking for two cars, access to the integral garage and a planted approach which softens the frontage. The outlook across the open green space is a real asset, enhancing the sense of privacy and space around the home.

### **In Summary**

11 Brinton Close is a spacious and beautifully presented modern detached home, offering well-arranged accommodation, a landscaped garden, excellent parking and a superb garden room/workshop. Its tranquil position, open outlook and generous proportions give it a quieter and more substantial feel than many homes within the wider development, making it an appealing choice for families, commuters and anyone seeking a well-connected home with a greener outlook. An early viewing with the sole agent Susan Payne Property is highly recommended.
