8 COMMON ROAD

A period semi-detached cottage which has been the subject of a stylish and comprehensive programme of updating over time. This delightful character home is we feel, likely to find new owners quite quickly, such is the attention to detail and chic touches that really do feature throughout. An enclosed entrance porch provides space for muddy boots and leads into two interconnecting reception rooms with a delightful woodburner being a focal point within the front room. A bespoke-fitted understairs 'workstation' takes care of increasing 'WFH' trends whilst to the rear of the cottage lies a re-fitted kitchen / breakfast room with underfloor heating and direct access to the garden. The ground floor shower room (with underfloor heating) is here too and has also been re-fitted in a very attractive and practical way. Upstairs there is a choice of two double bedrooms, both with excellent built-in storage. Externally, there is a secluded, courtyard-style rear garden which faces South-West.
