

Courtfield Gardens

SOUTH KENSINGTON, SW5

Originally developed by McClaren property, an exquisite 1st and 2nd floor flat with high ceilings, direct lift access, air conditioning and stunning finishes throughout, with access to pretty communal gardens.

Courtfield Gardens was subject to full refurbishment and this is the premier flat in the building. A meticulous refurbishment means that this flat seamlessly blends contemporary finishes with heritage and a period building. Towards the front on the 1st floor, there is a fantastic reception room with ceiling heights of almost 4m, with full-height windows looking over the balcony and offering views over the garden square. Perfectly located around the corner is a snug/TV area. Centrally located there is a very good sized office which could also be used as a 4th bedroom and an adjacent guest cloakroom. A rear extension has been created to offer a beautiful kitchen with fully fitted appliances and space for family / informal dining.

On the 2nd floor, there is a fabulous master bedroom towards the front, with an en-suite bathroom and dressing room. The lift also opens on this floor which is very important when arriving with suitcases. There are two further bedrooms, both with en-suite bath/shower rooms. The flat benefits from air conditioning.

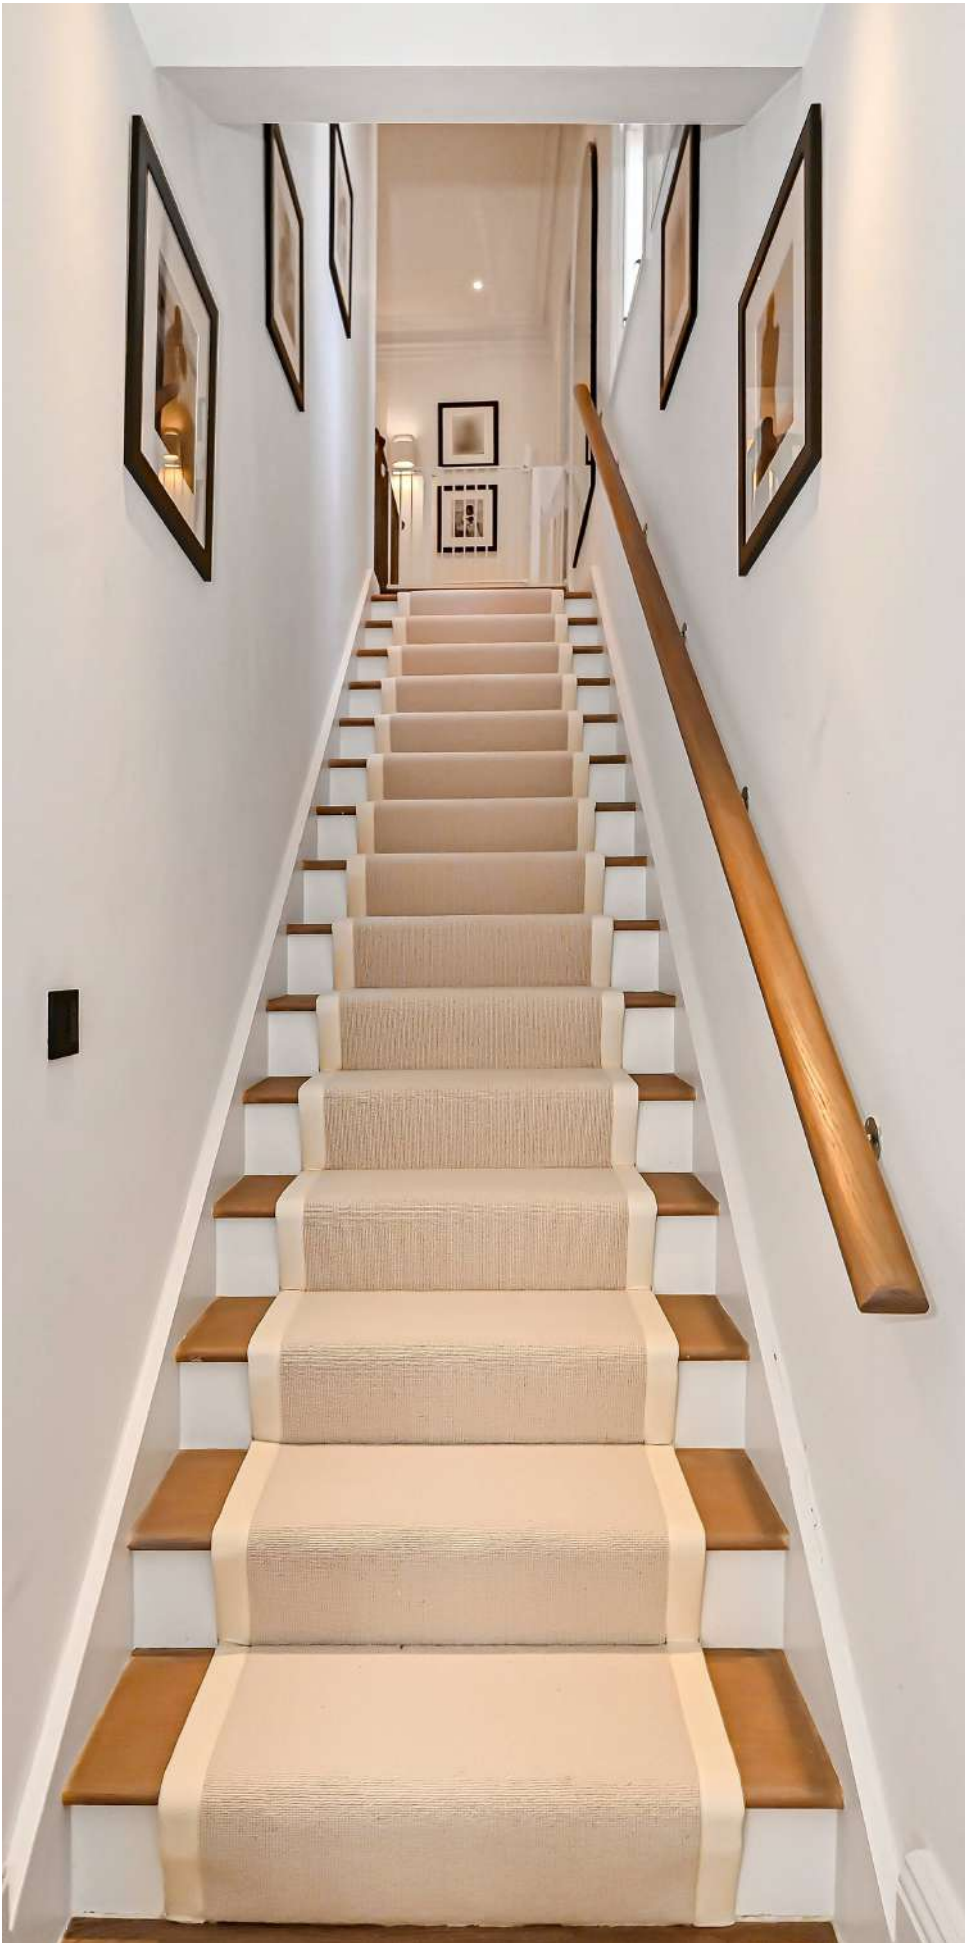

Courtfield Gardens is a sought-after address within easy reach of Gloucester Road, Earls Court and High St Kensington underground stations. Nearby sits an array of world class shops, bars, restaurants and schools.
