What permitted payments can I expect to pay if I rent a property with Need2View?

When you have agreed on the property of your choice, Need2View will provide you with a Tenancy Application Form. This helps explain not only the next stages of your application, but any permitted payments which are due before you sign your Tenancy Agreement and any which may become payable during and after the tenancy.

This will also include confirmation of the agreed rent and the deposit.

Below is a list of our current permitted payments. At any time you are interested in a property, please ask a member of staff for a full breakdown of permitted payments that may be payable before, during and after a tenancy.

THINKING OF SELLING

It is important that a fair, accurate and representative market appraisal is given when thinking of selling and owners should obtain advice to take into account economic conditions, the size, standard, condition, location of a property, market conditions within the area and the likely demand for a particular type of property.

Need2View are happy to come and visit you at your convenience in or out of office hours, weekdays or weekends by appointment and will offer you the advice that you need to make an informed decision.

Letting a property is not just simply a question of finding a tenant, it is about finding the right tenant which involves making in-depth credit checks, enquiries and referencing to ensure that prospective tenants are the best that they can be.

The secret of achieving the highest level of property management is to be actively involved in and *manage* the rental property, collecting rents is not enough. Strong and proactive management with regular contact with both tenants and landlords and frequent inspections with condition reports being provided on a regular basis will help to ensure that our landlords get the best possible service.

We have a hands-on and practical style of approach and aim at all times to act on our client's behalf, in their best interests and in accordance with their instructions protecting, maintaining and enhancing our client's investment.
