## Description

The internal accommodation begins with a welcoming central hallway. The spacious lounge is a standout feature, boasting a large bay window to the front which fills the room with an abundance of natural light. From here, the layout flows through to a well-appointed kitchen, fitted with sleek eye and base level units, generous worktop space and the added comfort of underfloor heating. A stable door from the kitchen leads out to a private balcony, with steps descending to the property's private rear garden, creating an excellent connection between the indoor and outdoor living space.

The principal bedroom is positioned to the front and offers a generous double room complete with fitted wardrobes. A further double bedroom is located to the rear, while a contemporary family bathroom completes the accommodation. The property also benefits from access to useful loft space via a pull-down ladder, offering excellent additional storage and potential for conversion into a third bedroom (STPP).

Externally, the rear garden is predominantly laid to lawn with mature shrub borders, offering a pleasant outdoor space ideal for relaxing or entertaining. To the front, the property benefits from allocated off-street parking with the added advantage of an electric car charger, providing a valuable and convenient feature for modern living.
