*What the owner says:*

*"The 11 years we've spent here have flown by. Being close to the Hove shops and train station whilst also having a dedicated parking space and secure bike storage has made it really easy to do everything, whether that's getting a coffee nearby or going further out. When we work from home we really appreciate how quiet the flat is, and being able to look out onto the garden, where you'll probably see a squirrel running around, makes you forget you're in the centre of Hove."*
