Pretty Corner Park Road

Redruth, TR15 2JG

£425,000

Pretty Corner is a generously proportioned and thoughtfully laid out family bungalow offering four bedroomed accommodation plus the benefit of two en-suites. There is a substantial conservatory to the front with a very sunny aspect and this leads to a hallway, then the lounge plus a separate dining room, a kitchen and utility room with internal access to the garage. Various fittings are included within the sale to include a ceramic halogen hob. From the dining room there is a stairway to the first floor where there is a fourth bedroom together with an open plan storage/hobbies area leading through to a study/office. The property has gas heating complemented by double glazing and there is an independent gas fire in the lounge which is surrounded by a custom built fireplace with plenty of plinths. The property also has a radon sump. The adaptable accommodation would make it suitable for perhaps a dependent relative with their own en-suite facilities. Externally there is a private driveway leading to turning and parking facilities and a generous size garage. The plot was originally part of the large house next door and the majority of the boundary walls are of the earlier era being of stone and in the region of two and a half to three meters high. There are lawns to the side and rear plus a substantial outbuilding. This is a popular area giving access to dog walking at nearby Carn Marth. Redruth town is within perhaps two thirds of a mile and this will take you past Victoria Park with its well known bowling club and facilities. Redruth town offers day to day shopping facilities together with train and bus services.
