Set within an impressive period building on the hillside above Weston, this beautifully presented two double bedroom garden apartment combines character, light and exceptional outdoor space - all with far-reaching coastal views.

The accommodation has been thoughtfully reconfigured to create a superb kitchen/breakfast room fitted with integrated appliances, generous worktops and a breakfast bar. A glazed door opens directly onto the private garden, creating an easy flow between inside and out.

The sitting room is particularly striking, with high ceilings, ornate cornicing, engineered oak flooring and a working fireplace set against a feature wall. A large window frames elevated views towards the coastline, filling the room with natural light.

Both bedrooms are comfortable doubles, finished in a calm, contemporary style. The bathroom has been upgraded to a high standard and complements the property's blend of original features and modern finishes.

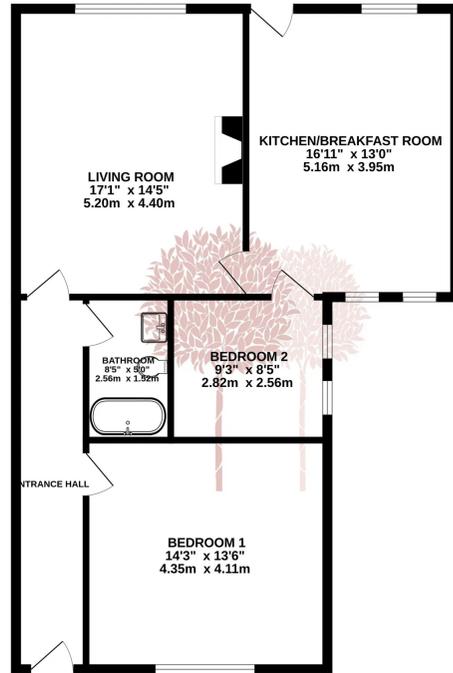

The private garden is a rare and special feature. Arranged over tiers to make the most of the outlook, it offers distinct seating areas and uninterrupted views across Weston and towards the Mendips.

At the top of the garden, a summer house with its own terrace provides an ideal space for entertaining or quiet evenings outdoors. A wood burner allows for year-round use, and a separate WC adds further practicality. Off-street parking is also included.

What We Love About This Property... Immaculately presented with fantastic room proportions, this home enjoys a rare, generous garden and outside space with lovely views.
