A place to call home

Tucked away within a peaceful cul-de-sac, 59 Red House Lane offers well-proportioned accommodation, modern interiors and excellent outdoor space. A private tarmac driveway provides parking for two vehicles and leads to the attached single garage. A part-glazed UPVC entrance door opens into a welcoming central hallway with wood-effect laminate flooring, recessed mat well, radiator and storage cupboard housing the Worcester gas central heating combination boiler. The hallway provides access to the living accommodation, all bedrooms and the shower room.

Cosy nights in

Positioned to the rear, the spacious lounge and dining room is filled with natural light from the large UPVC sliding doors which open onto the south-facing garden. There is ample room for both lounge furniture and a dining table, centred around an attractive fireplace with inset log-burning stove.

Let's get cooking

Leading from the dining area, the contemporary kitchen features quartz-effect worktops, integrated fridge, freezer, eye-level oven and grill, electric hob and integrated wine cooler, together with space for a dishwasher. A black sink unit is set beneath the rear window which overlooks the garden whilst a part-glazed timber door leads into the attached garage which features a utility room to the rear with space for a washing machine, tumble dryer and further sink unit.

Time for bed

The principal bedroom is a generous double overlooking the front of the property with ample space for wardrobes. Bedroom Two is a further double with fitted wardrobes and a side-facing window. Bedroom Three is a versatile single room ideal as a guest bedroom, nursery or home office and has a window to the front.

Modern conveniences

The beautifully updated shower room includes a walk-in shower with dual-head fitment, a vanity basin, and WC. A heated gold towel rail and elegant gold accents, finish the room along with marble-effect wall panelling.

What's outside

The attached single garage benefits from barn-style front doors, a rear UPVC access door and a utility area and the boarded ceiling incorporates three roof lights. The generous, south-facing garden offers two patio areas, a central lawn, decorative shale borders and a hardstanding suitable for a shed or summerhouse.
