

A fantastic opportunity to purchase an extended and comprehensively refurbished four-bedroom property with flexible accommodation arranged over two floors, and a fabulous kitchen/dining/family room to suit contemporary living, a private southerly facing rear garden, and outbuildings, in a popular Oxfordshire village.

This immaculately presented property is approached over a driveway providing parking for several vehicles.

Extended and carefully remodelled by the current sellers, the accommodation feels light and spacious, with an easy layout to suit modern living.

A spacious entrance hallway leads to the sitting room at the front of the property. A wood-burning stove makes for a cosy room to enjoy long winter evenings or some quiet time with a good book.

The kitchen/dining room is fitted with contemporary eye-level units, integrated appliances, and a breakfast bar.

The dining area has plenty of space for a table and chairs, too.

The extension to the rear of the property has transformed this property; the kitchen is both stylish and practical, whilst the family room, with its vaulted ceiling, makes for the ideal entertaining area.

The principal bedroom is to the front of the property, and boasts a dressing room along with an ensuite with a shower and bath.

A second double bedroom is to the rear of the property, which is served by a shower room.

It is worth noting that the second bedroom, shower room

and the utility room can be accessed by a separate front door, offering the opportunity for independent living to the main house.

A new staircase off the hallway leads to the first floor, which has been converted to provide a third double bedroom with an en-suite shower and a fourth bedroom or study for those who work from home.

Skylight windows make for light and comfortable rooms.

Outside, the rear garden has also had a makeover, with a generous area laid to lawn, decking for outside entertaining and the erection of a workshop and storage shed.

Enjoying a southerly aspect, the garden is a lovely place to relax on long summer evenings.
