Welcome

A deceptively spacious three-bedroom semi detached family home offering over 1,150 square feet of well-proportioned accommodation across a unique and flexible split-level layout, set in a convenient area of Lochgelly. With generous room sizes throughout and a substantial detached garage, this property represents excellent value for families seeking a spacious and practical home. The ground floor offers a generous living room extending to almost 16 feet — a bright and comfortable main reception space — alongside a well-appointed kitchen of excellent proportions, providing ample worktop and storage space for everyday family use. A family wetroom completes the core ground-floor accommodation. The bedroom accommodation is spread across both floors. Two impressively sized double bedrooms are located on the ground floor, with the principal bedroom extending to nearly 15 feet. A third double bedroom sits on the upper level, offering a private and characterful additional room — ideal for older children or guests. A large detached garage — extending to over 17 feet — adds tremendous practical value to this already impressive package. There are well maintained gardens to the front and rear providing excellent outdoor space.
