Description

If being close to the heart of village life is important, 33 Garnier Drive has a great position on the ground floor within the main building at Bishopstoke Park, putting the restaurant, deli, Wellness Centre and communal facilities all within easy reach.

Step inside and the hallway provides useful storage before leading through to the main living accommodation. The living room is a really good size, extending to around 19ft in length, with plenty of room to create separate sitting and dining areas. A feature fireplace gives the room a focal point. French doors at the far end of the living room open onto the west-facing terrace, enclosed by wrought iron railings and overlooking the grounds. It’s a lovely place to sit out and make the most of the afternoon and evening sun.

Glazed double doors connect the living room with the kitchen, so it can be kept separate when you are cooking without closing it off completely. The kitchen is fitted with a good range of units and integrated appliances, keeping everything neat and uncluttered.

The main bedroom is particularly generous, with windows on two sides bringing in plenty of natural light, as well as a walk-in wardrobe providing excellent storage. The Jack and Jill shower room can be accessed from both the bedroom and hallway, making it practical for both everyday use and visiting guests.

Bedroom two works well as an occasional guest room, study or hobby space, giving you that valuable extra room without having to maintain a larger property than you need.

With approximately 66 sq m of accommodation, plus the enclosed west-facing terrace, 33 Garnier Drive offers a very manageable home in a wonderfully convenient position within Bishopstoke Park.
