

## Miners Arms Cottage, Rejerrah, Cornwall TR8 5QF

First floor 2 bedroom flat set in quiet rural location with rent including the water and heating charges.

The property is set in the quiet hamlet of Rejerrah and benefits from fantastic rural views.

**£900 PCM**

The property is unfurnished and is available from now for long term let. The deposit is equivalent to a month's rent.

To arrange a viewing on this or any of our other properties please complete the Tenancy Application Form on the Start and Co home page at [www.starts.co.uk](http://www.starts.co.uk).

| Energy Efficiency Rating                    |         |           |
|---------------------------------------------|---------|-----------|
|                                             | Current | Potential |
| Very energy efficient - lower running costs |         |           |
| (92 plus) A                                 |         |           |
| (81-91) B                                   |         |           |
| (69-80) C                                   |         |           |
| (55-68) D                                   |         |           |
| (39-54) E                                   |         |           |
| (21-38) F                                   |         |           |
| (1-20) G                                    |         |           |
| Not energy efficient - higher running costs |         |           |
| England & Wales                             |         |           |
| EU Directive 2002/91/EC                     |         |           |

| Environmental Impact (CO <sub>2</sub> ) Rating                  |         |           |
|-----------------------------------------------------------------|---------|-----------|
|                                                                 | Current | Potential |
| Very environmentally friendly - lower CO <sub>2</sub> emissions |         |           |
| (92 plus) A                                                     |         |           |
| (81-91) B                                                       |         |           |
| (69-80) C                                                       |         |           |
| (55-68) D                                                       |         |           |
| (39-54) E                                                       |         |           |
| (21-38) F                                                       |         |           |
| (1-20) G                                                        |         |           |
| Not environmentally friendly - higher CO <sub>2</sub> emissions |         |           |
| England & Wales                                                 |         |           |
| EU Directive 2002/91/EC                                         |         |           |
