DC Lane are pleased to present this spacious one bedroom ground floor apartment, ideally positioned within the highly regarded Adelaide Conservation Area in Stonehouse. Located along this attractive and well-established street, the property is just a short walk from the city centre, Plymouth's historic Hoe and vibrant waterfront, making it perfectly suited to those seeking convenient urban living.

Situated on the ground floor of a period building, the apartment offers well-proportioned accommodation with generous room sizes and good natural light throughout. The lounge provides ample space for both relaxing and dining, while the separate kitchen is positioned to the rear with access to a small private courtyard - a pleasant outdoor space with room for seating and potted plants.

The double bedroom is comfortably sized, with the additional convenience of having floor to ceilings built in wardrobes. Next to the kitchen, the shower room is fitted with a walk-in shower, wash hand basin and WC, offering practical and functional facilities. The property has been successfully rented for many years and presents an excellent opportunity for a new owner to modernise and personalise to their own taste.

Externally, there is the significant advantage of off-road parking to the rear of the building, a rare and highly desirable feature in this central location, along with the ease of ground floor access.

With the current tenant due to vacate shortly, the property will be offered with vacant possession and no onward chain, ensuring a straightforward purchase.

Offering generous proportions, outdoor space and parking within such a prime setting, we believe this would make an ideal first-time buy or investment opportunity. A viewing is highly recommended to appreciate the potential on offer.
