The bungalow offers very well laid out spacious accommodation which has been beautifully modernised by the vendor, works including being completely rewired, re-plumbed with a dual zone heating system, new boiler, re-plastering and new windows and doors. A stunning kitchen breakfast room has been made by extending the old kitchen, nearly trebling its overall footprint, to make a wonderful light and airy room whilst the lounge and two double bedrooms are all of lovely proportions.

The gardens surround the house and again the vendors have created a lovely landscaped patio area which is ideal to sit out and enjoy the sun and views. The remaining gardens are planted with mature shrubs and flower beds.

Central to the room is a large contrasting island unit with breakfast bar, contemporary sink unit and storage cupboards beneath. Whilst a dishwasher is not fitted a unit and services have been included which could house the appliance.

Dining Area and Living Area: With large full height windows this is a light and airy room ideal for modern living with access to the lounge and garden.
