Bickwell Valley
Sidmouth
EX10 8RF

£625,000 LEASEHOLD

A beautifully appointed, first floor apartment, sympathetically modernised and forming part of an early, R W Sampson designed house.

Designed by the acclaimed local architect, R W Sampson, Burnside is one of his earlier, large scale homes, built in 1904 and now subdivided into just two apartments. The property spans the first floor, retains many of its original character features and was remodelled and refurbished to a high standard in 2014 and included rewiring, replumbing, a new kitchen, bathroom and cloakroom at that time.

Just five steps rise to the entrance porch, beyond which lies a wide hallway with good storage. A dual aspect sitting/dining room looks south and west and features a bay window and a fireplace with gas flame fire. The kitchen/breakfast room has a good range of fitted units to include built-in Bosch appliances comprising oven, combi oven/microwave, electric hob, fridge/freezer, dishwasher and washing machine. The units are complimented by polished granite surfaces and contemporary tiling. A window and door open onto a south facing balcony, taking in a glorious view over The Bickwell Valley.

The main bedroom has a bay window looking west, built-in wardrobes, storage and shelving. The guest bedroom is a comfortable double room and there is a third, double bedroom, featuring a tall, bay window. This room could easily serve as a study or additional reception room. The bathroom is well-appointed to include a separate mains shower. Lastly, there is a separate cloakroom/WC.

Burnside stands towards the top of Bickwell Valley Road in a position providing seclusion and privacy. Accessed via a private lane off Broadway, the property benefits greatly from driveway parking for three cars and a detached, double garage with electric door, power and light. Alongside the garage, a gated entrance opens into the private garden, attractively arranged with paved patio areas and lawn with deep, colourful borders. Beneath the entrance is useful storage accessed via steps from the main patio area.

Burnside stands within The Bickwell Valley Conservation Area, only half a mile from the foot and bridle paths that cross Mutersmoor and Peak Hill. Connaught Gardens, Jacobs Ladder Beach, the Esplanade and Market Square in the heart of the town centre are all less than one mile away. Sidmouth is an unspoilt town on the Jurassic Coast benefitting from a busy High Street with numerous independent shops, High Street chains and popular restaurants. The town has an excellent range of amenities to include Waitrose, Lidl, regular bus services, modern health centre, cinema, theatre, indoor swimming pool and an eighteen-hole golf course.
