Jacobs Steel East Preston is excited to present this beautifully styled four bedroom modern home, located on the highly sought-after Cresswell Park development in Angmering – an area well known for its open green spaces, friendly community feel, and close proximity to the village centre. Built around six years ago and offered chain free, this contemporary three-storey home combines stylish design with excellent practicality, extending to approximately 1,241 sq ft including the garage, and benefitting from the remainder of its NHBC warranty.

The bright and spacious interior features a welcoming hallway, cloakroom/WC, and a sleek, well-fitted kitchen which opens into an impressive open-plan living and dining area with French doors leading out to the rear garden – perfect for entertaining or relaxed family living. Upstairs there are three well-proportioned bedrooms and a modern family bathroom, while the top floor offers a superb principal suite with fitted wardrobes and a contemporary en-suite shower room.

Outside, the property enjoys one of the better-sized gardens for this popular development, attractively landscaped with a level artificial grass lawn and decked terrace that catches the afternoon sun. A shed toward the rear is a handy store for garden paraphernalia. There is also an attached garage and private driveway providing off-road parking.

Cresswell Park itself is a well-planned, family-friendly development with plenty of open spaces and landscaped areas including children's play equipment, all within an easy walk of Angmering village amenities. The village offers a gastropub, fish and chip shop, cafes, convenience stores, and a real sense of community, while larger supermarkets such as Sainsbury's and Aldi are only moments away. Nearby The Angmering School is highly regarded, making this an ideal choice for families.

A short drive leads to Rustington's thriving shopping centre, the beaches at East Preston and Rustington, and the stunning Angmering Park Estate with miles of countryside walks and bridle paths. The historic town of Arundel, with its castle, cafés and boutique shops, also lies close by.
