

Battersea Powers Station, Switch House East

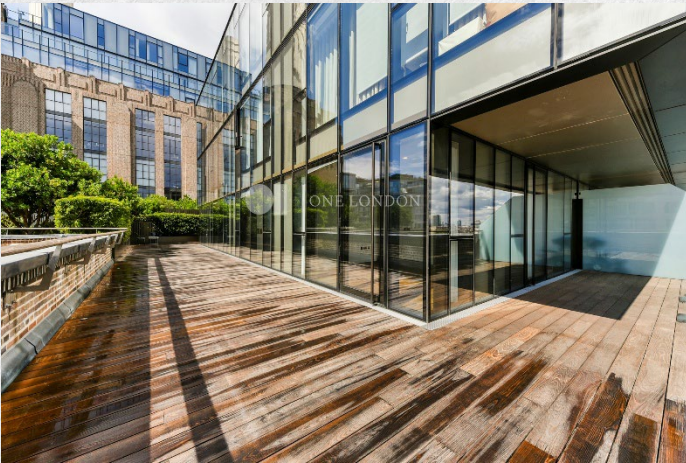

£11,496 pcm

This sensational two-bedroom apartment within the iconic, redeveloped Battersea Power Station seamlessly blends contemporary luxury with original industrial features.

- Two large bedrooms
- Two bathrooms
- 1,292 sq ft (internal)
- Large wraparound balcony
- Luxury residents' facilities
- Battersea Power Station location
- 24-hour concierge
- Great transport links

This rare property features two spacious bedrooms, two high-specification bathrooms, and a generous open-plan layout. The heart of the home is a spacious reception room boasting floor-to-ceiling windows that flood the space with natural light and lead onto a large wraparound balcony. A stylish kitchen comes fully equipped with premium integrated Miele appliances. The spectacular master bedroom serves as a private sanctuary, complete with fitted wardrobes, double access to the balcony's sweeping views, and a luxurious en-suite bathroom showcasing a standout copper bathtub.

Positioned right on the banks of the River Thames, residents will enjoy a vibrant, thriving community surrounded by premium office developments, boutiques, restaurants, and dynamic public spaces. This prime location sits moments from Battersea Park and Chelsea. Excellent transport links are right on your doorstep, including local tube stations, rail networks, and the Thames Clipper river bus service, ensuring effortless connectivity across London.
