IF YOU LIVED HERE...

You'd step through the front door and into a bright front reception, with warm timber flooring underfoot and a straightforward, easy flow through to the kitchen at the rear. It's a welcoming everyday space with room to relax, dine and catch up with friends. The kitchen offers plenty of storage and a pleasing amount of natural light.

To the rear, the west-facing courtyard garden is a lovely little suntrap, with decked sections, brickwork and space for pots and planting. It's a low maintenance outdoor space that still feels inviting, whether you're having a quiet coffee in the morning or sitting out on a summer evening. Back inside, the bathroom is smartly finished in clean white, while the ground floor bedroom is a comfortable double with built-in storage and views out to the courtyard.

Upstairs, the second bedroom is especially generous, with a skylight bringing in extra light and plenty of room to arrange the

space however suits you best. Altogether, the home has a practical, unfussy feel, with two true double rooms and a layout that makes good use of the space throughout.

A WORD FROM THE EXPERT.....

"Woodford Green, as its name suggests, has ample open spaces, including village greens, parks and forest land.

The area has a number of popular pubs and eateries. For Italian, the superb Bel Sit is known for its authentic family feel and collection of football shirts. Rosso on the Broadway and Mezze on the Green are also really popular.

Along the High Road are a number of historic 'watering holes' including the Cricketers, Travellers Friend, Rose & Crown and Horse & Well. For local shopping, Woodford Broadway is a good choice, including a lovely new fishmonger called Fatfish.

Woodford Green is an ideal location for people looking for a mixture of town and country life, and a great place to put down family roots."
