Description

This attractive three bedroom end of terraced cottage is set in a 'small backwater' and benefits from both off street parking and a rear westerly facing rear garden.

On the ground floor a side entrance lobby leads into the front sitting room which has an attractive open fireplace and large front picture window making for light airy space. A single step down from the sitting room takes you through to the dining room which also enjoys an attractive fireplace. Both these reception rooms also enjoy unusually higher than average ceiling heights for a property of this period. To the rear is a fitted kitchen with stable style door to outside. Accessed from the kitchen is a downstairs cloakroom/shower room. On the first floor there are 3 good sized bedrooms and a bathroom.

Outside to the front there is off road parking for 2-3 cars whilst at the rear there is if required a right for vehicular access from Clements Mead into the rear garden. Alongside from the front is gated side access to the rear garden. Set within the rear garden is a detached cabin with light, power and internet access which the present owner uses as a work from home office. To the rear of the cabin is a small store. The remainder of the rear garden is attractively landscaped with paving and astro turf being fenced to all boundaries.
