DESCRIPTION

13 Chestnut Close nestles in the corner of a cul de sac, an extended, detached family house with full planning consent to again increase the size of the accommodation. The new plans passed would allow the building of a new study, the conversion of one of the garages into another reception room and enlarging the back of the house on the ground floor to create a stunning open plan kitchen, dining and living room. On the first floor a fantastic principal bedroom suite is fashioned with a substantial bedroom, dressing room and a shower room. For illustrative purposes the plan of the consent permitted is contained within this brochure.

At present the actual front door is seldom used as down the side you find an excellent boot room, a perfect entrance after a dog walk or to store coats and shoes etc...

The original front door though leads into a lobby, off which is a cloakroom with a wc and wash basin and a door to the double garages, half of which is adapted to a gym. Then there is the first of two sitting rooms, this one having a handsome carved stone fireplace with an inset cast iron woodburning stove. Centrally situated is the dining room and staircase and this room provides access to the conservatory, second sitting room and kitchen, said kitchen with navy blue units and black granite effect worktops, the latter incorporating a butlers sink. Integrated are a fridge, Rangemaster 5 burner gas hob, extractor hood, and Hotpoint oven. On the side wall is a dresser. The conservatory is brick and pvcu construction that has a tiled floor and doors to the garden. The second sitting area is a lovely room also with doors to the garden. Adjacent the kitchen is the aforementioned boot room and utility, excellent dimensions with the utility at the

far end comprising cupboards, worktop and a sink. Plumbing for either a dishwasher and washing machine are located in both the kitchen and utility room. On the first floor the loft is partly boarded and is lit. There are four bedrooms, three doubles and a generous single, the main bedroom benefitting from hand made shutters and air conditioning. In the bathroom is a white suite of wc, wash basin with a vanity unit below and a panelled bath that has a shower screen and an overhead shower. Grey metro tiling adorns the walls.

OUTSIDE

The herringbone block paved driveway can host up to 4 vehicles and the double garage has a concrete floor, metal up and over doors and a dividing wall internally with one part of the double garage as previously stated being used as a gym. There is a little sheltered seating spot left of the driveway. An EV charging point has been installed.

A gate at the side provides a secure route to the garden where a patio stretches across the rear of the house forming a welcoming terrace to the second sitting room. The lawn is mainly enclosed by a mature hedge that affords a great deal of privacy. Power points are in situ and a large hot tub is available by separate negotiation.

LOCATION

In the ancient division of the county, Waddesdon Parish was of great extent. The name is a combination of a person's name and 'DUN' in old English, translating to Wotts Hill. The village is steeped in history, a large account is written in 'MAGNA BRITANNIA' in 1806 concerning its famous connections. There is a church of Norman origins and the old Roman Military Road, Akeman Street used to pass through the place. A branch of the Aylesbury and Tring silk manufactory was established in the village in 1843 employing some 40 females at hand loom weaving but has long since gone. Of some renown is the magnificent Waddesdon Manor, the recently refurbished Rothschild Mansion. Baron Ferdinand De Rothschild bought the land in 1874, it is said he picked the site for his residence after hunting in the area.

The village has excellent pre schools with a junior and highly sought after secondary school.

The nearby market towns and villages provide a wealth of historical and interesting places to visit including the local Waddesdon Manor, Claydon House and Quanton Steam Railway. Extensive shopping facilities are situated at Bicester Village Retail Outlet, the Friar's Square Centre in Aylesbury, Milton Keynes and Oxford. The village itself offers a great convenience store with a post office, a popular coffee shop, hairdressers salon, beauticians, a Doctor's Surgery, dentist, vet, charity shop, pubs, the Five Arrows Hotel and Chinese takeaway/fish and chips. There are also tennis and bowls clubs. The Greenway is a hardstanding countryside walk that currently runs from Waddesdon to Aylesbury ending up at Aylesbury Vale Parkway train station. Aylesbury is about 5 miles with the Aylesbury Vale Parkway station providing frequent service to Marylebone, just a five minute drive away in Fleet Marston/Berryfields. Haddenham/Thame Parkway station is about 8 miles away, providing rail links to London and Birmingham. The market town of Thame is about 9 miles and Oxford is approx. 26 miles. The M40 motorway beyond gives access to London, Oxford, Birmingham, the M25 network, Heathrow, Gatwick and Luton airports.
