## Property Description

A Spacious Four Bedroom Family Home on a Quiet Residential Turning in Mill Hill

Tucked away on one of Mill Hill's most popular residential turnings, just off Page Street, this beautifully presented semi-detached family home offers over 1,650 sq ft of bright, versatile living space arranged over three floors. Featuring a private principal bedroom suite and a generous landscaped garden.

Designed with modern family living in mind, the ground floor provides excellent flexibility. A superb 29ft double reception room, flooded with natural light from a large bay window, creates an impressive living and entertaining space. This is complemented by a separate dining room and a fitted kitchen/breakfast room with breakfast bar for informal meals. A guest WC completes the ground floor.

The first floor comprises three well-proportioned bedrooms served by a modern family bathroom finished with contemporary tiling and fittings. The second floor hosts a standout feature — a private principal bedroom suite within the converted loft, complete with an en-suite shower room and useful eaves storage.

Externally, the landscaped rear garden is a particular highlight. Generous in size and mainly laid to lawn with mature planting and a garden shed, it provides an ideal setting for children's play and summer entertaining. To the front, a block-paved driveway provides comfortable off-street parking for two vehicles.

Set within a convenient and family-friendly location, Longfield Avenue is approximately 1.25 miles from Mill Hill Broadway,
