Description

Stevens is pleased to offer for sale, with no onward chain, this detached and extended chalet bungalow located in a prominent position within Small Dole. 'Rose Cottage' is set back from the road and accessed via a wide private driveway, accommodating at least four vehicles, along with two twin garages equipped with individual up-and-over doors.

Upon entering the spacious hallway, you will appreciate the property's flexibility and size, a testament to the current vendor who has enjoyed living here for the past 40 years. The internal layout features two bedrooms on each level. The large bay-windowed en-suite bedroom overlooks the front of the home and includes built-in storage cupboards, a separate dressing area, and an en-suite bathroom. The bathroom is finished with half-tiled walls and includes matching white sanitary ware, along with a hand-held shower over the bath. Bedroom four, located on the ground floor, is currently utilized as a full-time office.

The rear of the property, benefits from a westerly aspect, with large windows allowing natural light to fill the rooms. The long kitchen is complemented by a utility room on one side and a separate dining area on the other. Adjacent to the kitchen is the living area, which measures 22 feet in length and centers around a fireplace. Sliding doors lead from the living area to the patio in the garden.

Stairs rise to the first floor where the remaining two bedrooms are to be found, both of these are considered doubles and share a further family bathroom.

Outside, the private garden is primarily laid to lawn and boasts a favoured westerly aspect. Additionally, a high fence ensures that children and pets can play safely while being easily supervised from within the bungalow.

Other notable features include the generous parking area at the front of the property, which can comfortably accommodate five vehicles, as well as the twin garages that have both power and lighting.

In our opinion, the property could benefit from some modernization, but with this work, it would make for a delightful family home.

Early viewing is highly recommended to fully appreciate all that this detached property has to offer!
