Description

45 Tattersall Stables is a distinctive Grade II Listed three-bedroom character home forming part of the historic Wynnstay Hall Estate, an impressive courtyard development set within beautifully maintained communal grounds, extending to 70 acres, including lakes, parklands and tennis courts.

The property offers approximately 1,105 sq ft of internal accommodation arranged over three floors, with an additional external store. It combines the scale and architectural character of the original stable building with a practical modern layout, making it well suited to a range of buyers looking for something more individual than a standard modern home.

The accommodation is entered at ground-floor level through a covered porch, where a welcoming dining / living area provides an impressive first impression, with a double-height ceiling, curved staircase and views up towards the gallery-style first-floor accommodation. Exposed brickwork, tall windows and high ceilings give the property a strong sense of character throughout. The property benefits from double glazing and radiators throughout.

The kitchen sits to the rear of the ground floor and is fitted with a range of units, granite work surfaces, tiled flooring and space for informal dining. French doors open directly onto the courtyard, creating a pleasant connection between the kitchen and the outside space. There is also a ground-floor cloakroom and useful boiler/store cupboard.

The first floor is occupied by a generous main living room, measuring approximately 19'8" x 13'6", with two circular feature windows to the courtyard side and a glass-balustraded gallery overlooking the dining space below. This is a particularly attractive room, offering excellent flexibility as a principal reception space.

On the second floor there are three bedrooms. The principal bedroom has exposed brickwork, a vaulted ceiling and its own en-suite shower room. There are two further bedrooms, both with character features, together with a family bathroom.

The property benefits from two allocated parking spaces immediately adjacent to the property and access to the extensive, communal grounds of the Wynnstay Hall Estate.

Situation

Tattersall Stables forms part of the Wynnstay Hall Estate, an historic residential development positioned just outside Ruabon.

Ruabon offers a useful range of day-to-day amenities, including shops, schools, public houses, medical facilities and a railway station. The area is also well placed for access to Wrexham, Oswestry, Chester and Shrewsbury, with the A483 and wider road network providing links across North Wales, Shropshire and Cheshire.

The estate itself is one of the area's most recognisable residential settings, known for its period architecture, courtyard arrangement and surrounding parkland.

Wynnstay Hall Estate

Wynnstay Hall was historically associated with the Williams-Wynn family and remains one of the area's most notable country estates. The former estate buildings have since been converted to create a collection of individual homes within a managed setting.

Residents of Tattersall Stables enjoy access to the communal courtyard and the maintained estate grounds, which include areas of parkland, garden walks and recreational spaces. The setting gives the property a semi-rural feel while remaining within easy reach of local services and commuter routes.
