The Kemble

Harker Place, Carlisle, CA6 4RF

£397,500

Plot 6 is now available and ready to move into! The Kemble is a spacious four-bed home, with ensuite accommodation, generous living accommodation, and is super efficient inside and out with solar panels, underfloor heating and an EV charger.

Internally, a welcoming hallway leads to a well-proportioned lounge, offering a bright and versatile space ready to be styled to suit, with a larger triple-section window allowing an abundance of natural daylight to fill the room.

The impressive open-plan living/dining/kitchen area provides a sociable and flexible space, with direct access to the garden - ideal for modern living.

The ground floor is further complemented by a separate utility room, offering a practical area for laundry away from the main kitchen, along with a thoughtfully designed WC that makes clever use of the space beneath the stairs, and an integral garage providing convenient storage or ideal space for a home gym.

On the first floor, the primary bedroom, which is cleverly positioned to one side of the landing, has the benefit of an ensuite shower room, whilst the three further double bedrooms provide flexibility and functionality. A stylish family bathroom completes the first floor, finished with Porcelanosa half height tiling and contemporary sanitaryware.

The Kemble is equipped with the latest technology, designed to make everyday living both efficient and comfortable. A Mechanical Ventilation with Heat Recovery (MVHR) system operates throughout the house, continuously removing stale air and introducing clean, filtered fresh air into the living spaces. Solar roof panels help power the underfloor heating and hot water, helping to reduce energy consumption and running costs.

Externally, there is driveway for parking for 3 vehicles and gardens to the front and rear, which are mainly laid to lawn with patio areas perfect for al-fresco dining and outdoor living.

Location

Positioned just north of Carlisle, our development at Low Harker offers a rare opportunity to enjoy country living within minutes of all the amenities of the city. Low Harker is exceptionally well connected: the popular routes of M6, A69 and A7 are all within easy reach. Carlisle city centre, with its vibrant array of fine dining restaurants, schools, high street shops and cultural/historical attractions lies less than 4 miles away. The Scottish Borders and the Lake District National Park are only a short drive away too. Blending tranquillity, history, and excellent accessibility, Low Harker presents a distinguished address for those seeking both privacy and prestige.

About Hartfell Homes

Hartfell Homes & Developments Limited have been developing and building innovative homes within thoughtfully planned-out communities for well over 20 years throughout Cumbria and the Borders. Our ambition is simple, to design and build quality homes that you'll aspire to and want to live in.

To achieve that ambition, every stage of construction - from initial ground and foundation works - all the way through to external and internal 'finishes' are personally supervised by a director of Hartfell Homes. Only when we are satisfied with overall build quality and all finishes, are we then ready to hand our houses over to you, our new home owner, to begin your journey of making our house into your brand new home.

But our journey in creating your home doesn't stop there. Our 'Aftercare' is second to none and we pride ourselves in providing a friendly, easily accessible and efficient after-sales service for our home owners, so we can take care of your home after

you've moved in. Hartfell's passion, pride, commitment and enthusiasm is at the heart of every home we build.

We look forward to welcoming you to Harker Place and introducing you to your new dream home!
