**Shared Ownership Scheme**

You can buy part of your home and pay rent on the rest, so you can move in and enjoy the benefits of the McCarthy Stone lifestyle without committing to outright purchase. The Shared Ownership scheme is run in conjunction with Homes England, our government approved partner.

Benefits of this include:-

- . You can enjoy the McCarthy Stone lifestyle without paying the full purchase price.
- . Buying a percentage share of the property allows you to manage your finances to cater for possible future needs.
- . If you buy 75% of the value of the property, there is no rent to pay on the outstanding share.
- . If you buy 50% of the value of the property, you will pay rent on the outstanding share.
- . You could claim up to £500 a year to help with essential repairs in the first 10 years.

With this scheme, you can purchase up to 75% of the value of your property – and if you own 75%, you won't pay any rent on the outstanding 25% share. It provides a more affordable way to buy one of our retirement properties.
