A substantial and versatile home overlooking Alwoodley Golf Course, offering rare ground-floor bedroom accommodation

Set overlooking Alwoodley Golf Course, this substantial four-bedroom home extends to over 2,190 sq ft of flexible accommodation and offers a rare combination of outlook, privacy and adaptability. With a ground-floor bedroom and en-suite, generous reception space and a mature garden setting, the property is ideally suited to downsizers, professional couples or buyers seeking multi-generational living, as well as families wanting long-term flexibility.

Upon entering, a bright and welcoming entrance hall immediately sets the tone, leading through to a spacious formal lounge where large windows frame green, leafy views and flood the room with natural light. This elegant reception space flows seamlessly into a dedicated dining area, perfectly suited to both entertaining and everyday living.

The heart of the home is the contemporary kitchen, designed with integrated appliances, ample worktop space and a large picture window overlooking the rear garden and golf course beyond. A secondary dining area within the kitchen creates an ideal spot for casual meals and morning coffee, while maintaining a strong connection to the outdoor setting.

Adjoining the kitchen is a second, highly versatile reception room — ideal as a snug, family room or additional sitting room — offering flexibility rarely found at this price point.

A key feature of the property is the ground-floor bedroom with en-suite shower room, providing an excellent option for downsizers, guests or multi-generational living, and adding a level of future-proofing that sets this home apart from many nearby alternatives.

To the first floor are two generous double bedrooms with built-in storage and excellent natural light, along with a further room currently used as a home office — ideal for remote working or study. The floor is completed by a well-proportioned family bathroom.

Externally, the rear garden offers a private and tranquil setting, bordered by mature greenery and featuring a raised decking area perfect for outdoor dining and entertaining. To the front, the property benefits from a beautifully maintained garden, a large driveway providing ample off-street parking, and an integral garage offering further storage and security.
