PROPERTY SUMMARY

The setting is what really caught our attention with this one. The views across the countryside towards Epperstone and Lowdham give the property a lovely sense of space and privacy, but what makes it particularly interesting is that you also get a substantial five-bedroom home with genuinely generous rooms. Add the large garden, parking for around four to five cars and no onward chain, and there's a lot here for a growing family to work with.

NO CHAIN

Situated on the sought-after Moor Road in Calverton, this substantial five-bedroom family home occupies a generous plot with far-reaching countryside views.

The accommodation offers five good-sized double bedrooms across two floors, with the principal bedroom benefiting from an en-suite shower room. There is also a family bathroom and an additional first-floor bathroom.

The living accommodation provides plenty of flexibility for family life and entertaining, with a bright conservatory opening onto the rear garden and making the most of the surrounding views.

Outside, the generous plot provides plenty of space for families, gardening or simply enjoying the setting. To the front, there is off-road parking for approximately four to five vehicles alongside a single garage.
