**Olney Road, London**

This well presented three double bedroom split level maisonette is set over two floors of a small low rise ex-local development and is available for sale with no onward chain. The property benefits from direct access to a large private balcony and with its split level arrangement really does have the feeling of a small house. Olney Road is located in the vibrant Kennington area which has excellent transport links; the Northern Lines of Kennington and Oval tube station being within walking distance and bus routes are within five minutes' walk. Numerous shops and amenities are on the doorstep including restaurants and pubs, and the City and West End are just a short cycle ride away.

Accommodation comprises a large entrance hall, kitchen/diner and large lounge opening onto a private balcony to the lower floor. Upstairs there are three double bedrooms with built in storage off a larger than average landing, and a bathroom with separate w/c.

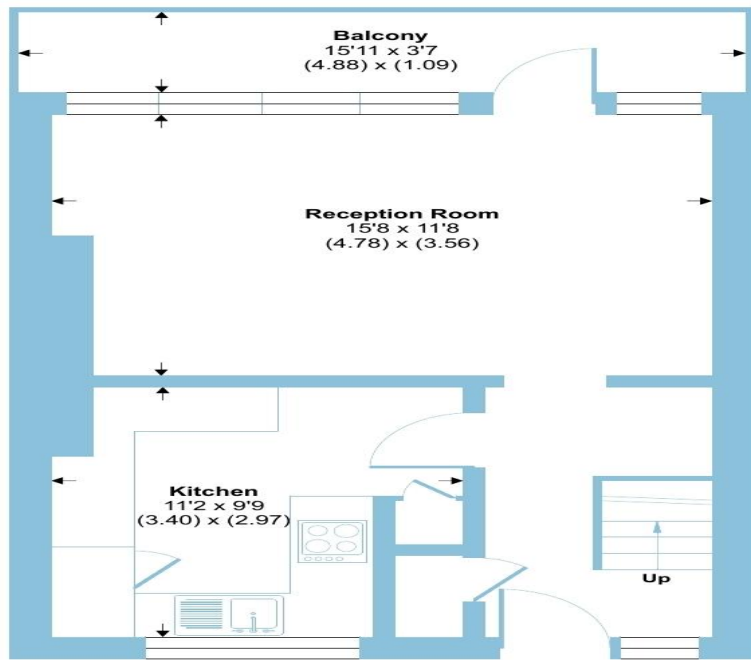

This property has a healthy length lease and would make an ideal home or BTL investment.
