# Canton Court

This charming end-terrace house offers a generously proportioned home with three good-sized bedrooms and two bathrooms. Notably larger than many comparable properties, it provides excellent flexibility for modern living.

The ground floor is entered via a front forecourt garden and porch, opening into a welcoming hallway and cloakroom. A comfortable living room sits to the front of the house and flows seamlessly, via a squared-off archway, into the kitchen/dining area — a layout well suited to both everyday living and entertaining. Beyond, an inner hall leads to a ground floor shower room and access to the rear garden. A particular advantage of the property is the garage to the rear.

To the first floor are three well-proportioned bedrooms, all featuring fitted storage cupboards, along with a family bathroom and a landing with additional linen storage.

Offered with no onward chain and to be sold as a freehold upon completion. While the property would now benefit from modernisation, it offers an excellent canvas for buyers wishing to create a home tailored to their own tastes and requirements.
