Welcome to the Algarve

With over 300 sunny days annually, Portugal sets the stage for year-round enjoyment. Alongside its natural beauty, it provides a secure and stable environment. In the Algarve, 100 kilometers of coastline beckon sun-seekers and adventurers. Carvoeiro, nestled in the center, just 45 minutes from Faro airport, is renowned for golfing and proximity to the Portimão International motor racing circuit, catering to both leisure seekers and thrill enthusiasts. With English widely spoken and robust property management services, Carvoeiro offers an stress-free lifestyle with authentic Portuguese flair.

Sky Base One - The Home of Tomorrow

Sky Base One draws inspiration from the legendary sci-fi films with an exterior that echoes an iconic spaceship, and interiors that boast cutting-edge design elements. Conceived as a haven for science fiction enthusiasts seeking solace, Sky Base One seamlessly combines comfort, innovation, and safety amidst the breathtaking scenery of the Algarve. Positioned as an alluring investment opportunity in an underdeveloped region, it offers a prime location, state-of-the-art amenities, and the irresistible charm of Algarve's natural beauty.

The First of its Kind

Designed to the highest standards, this property seamlessly integrates indoor and outdoor living, featuring spacious areas for relaxation and entertainment, along with five en-suite bedrooms. With a versatile basement ideal for amenities like a spa or home cinema, and breathtaking panoramic sea views from the terrace and infinity pool, this property is both an architectural marvel and a promising investment. While being conveniently located near local amenities and just 45 minutes from Faro Airport.

Property Features

Enhancing security and peace of mind, the house features comprehensive surveillance systems. Enjoy comfort year-round with underfloor heating and air conditioning, while floor-to-ceiling windows flood the interior with natural light, accentuating the panoramic sea views. The residence encompasses modern amenities such as a fully equipped kitchen with touch-activated appliances, inbuilt Sonos audio system, and ethanol fireplace. Additionally, an infinity pool, expansive garden, and garage accommodating up to four vehicles, walk-in closets, and even potential for a gymnasium or home cinema. Other innovative features include a completely descending 12m main window between living area and pool, futuristic-shaped air pressure elevator, LED lighting, and solar panels.
