## **Gardens**

The property benefits from extensive garden space to both the front and the rear of the property. The front garden is the larger of the two garden areas and features a variety of different spaces. Immediately in front of the property is a paved area which is enclosed with fencing either side. This area features an array of plant beds and also a green house ideal for potting around. Beyond this space is a laid to lawn garden which stretches of 50m which is lined with hedges and fencing. This garden features a variety of fruit trees including a plum, pear, fig, and walnut tree in addition to three apple trees and a rose garden. All these hedges and trees provide protection and privacy to the garden and prevents it from being over looked. The rear garden is a slightly smaller garden space in comparison but still benefits from having enough room for multiple outdoor storage sheds. The rear garden is also predominantly laid to lawn and is fully enclosed with fencing to the perimeter. This garden is lined with various plants which bring life and colour to the garden space.
