Looking for a well-lit, centrally located apartment with private outside space?

This two-bedroom lower ground floor home on Terrace Road in St Leonards offers a solid mix of comfort, practicality, and strong local access.

Set in a classic period building, the apartment has its own private entrance leading into a layout that makes the most of the space and natural light. The living area feels calm and functional, with room for both a sofa setup and dining area. The kitchen is straightforward and well-positioned, with easy access to the private courtyard—a welcome bonus for anyone after some outside space.

Both bedrooms are of good proportion and benefit from the building's solid construction and large windows, which help the light carry through. The bathroom is clean and neutral in design, ready to move into as is, or to be updated in time.

Positioned in central St Leonards, the location makes daily life easy. The seafront, local shops, galleries and cafés are all within walking distance, and the train station is nearby for commuters or weekend trips further afield.

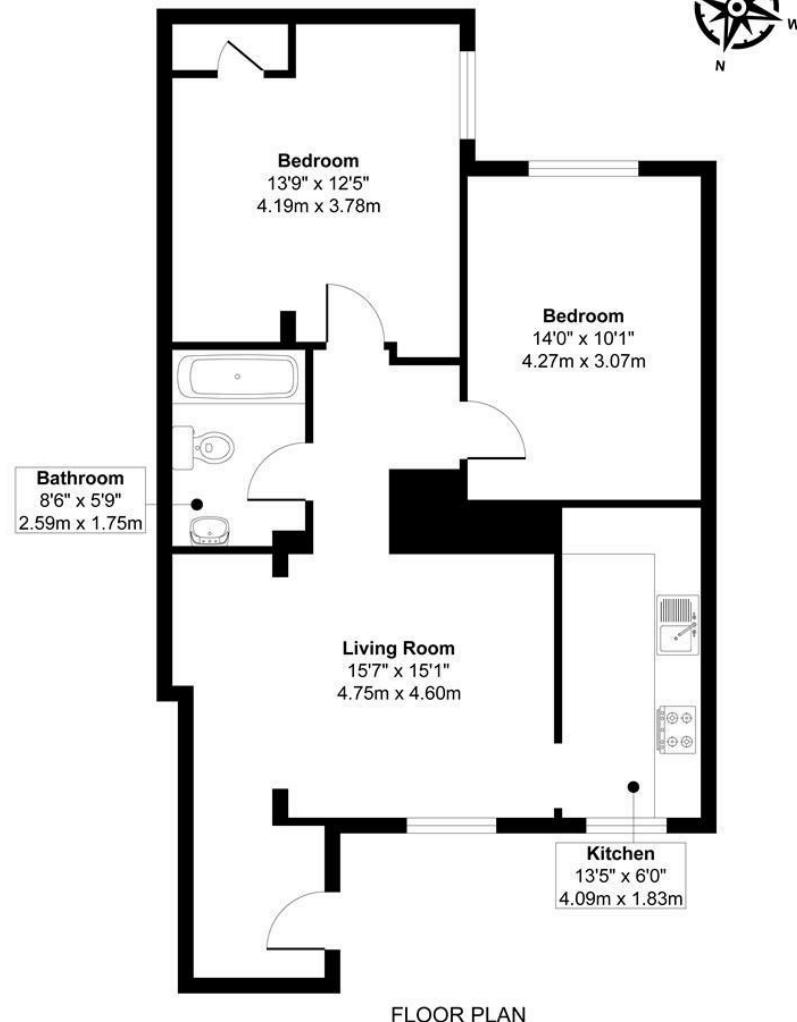

Altogether, this apartment offers a balance of charm and function in a sought-after part of town, with the added privacy of its own entrance and the rarity of outside space at this level.
