Living Room

11.0 x 12.6

This inviting living room offers a bright and cosy space with a window looking out to the front garden. The room features warm-toned dark wood flooring that complements the white walls, creating a fresh and neutral palette. A radiator is positioned beneath the window, and the entrance door opens directly into this room, making it a welcoming first impression.

Kitchen

14.0 x 7.9

The kitchen provides a well-arranged workspace with a practical layout. It includes dark base units paired with light countertops, and a stainless steel sink positioned below a window that brings in natural light and views of the garden. There is space for appliances such as a washing machine, and shelving above the worktops offers additional storage. The flooring is a wood-effect laminate in a lighter tone, contrasting gently with the darker units.

Toilet

4.1 x 3.7

A compact downstairs toilet with a white pedestal basin and a close-coupled WC. The room features a frosted window for privacy, a radiator below the window, and simple white tiling around the lower half of the walls.

Hall

The hallway provides access to the stairs leading to the first floor, with light neutral walls and carpet underfoot, creating a soft contrast to the wood-effect flooring downstairs. It connects the bedrooms and bathroom on the upper level.

Bedroom 1

14.1 x 10.1

The larger first bedroom is spacious and bright, featuring dark wood-effect flooring and a large window that fills the room with natural light. A radiator is placed beneath the window, and the room offers ample space for bedroom furniture while retaining a fresh and neutral decor.

Bedroom 2

10.5 x 7.9

The second bedroom is a smaller, well-lit room with light wood-effect flooring and a large window providing a pleasant view and plenty of daylight. The walls are painted white, maintaining a clean and airy feel. This room is ideal for a single bed or a study area.

Bathroom

7.2 x 5.9

A well-proportioned bathroom featuring a white suite with a bath, toilet, and pedestal basin. The bath has a side panel painted in a dark grey tone, and a small frosted window provides natural light and privacy. The walls are mostly white, and the flooring is a light, easy-care vinyl, creating a fresh and practical space.

Front Garden

The front garden is a small, enclosed space bordered by low stone walls with a gate opening directly onto the pavement. It has a concrete path and a gravelled area with some grass and weeds, offering scope for landscaping and personalisation to create a welcoming outdoor area.

Rear Garden

The rear garden is neatly divided into a paved patio area

and a lawned section bordered by a raised flower bed with stone walls. The garden is fully enclosed with a mix of fencing and stone walls, creating a private and manageable outdoor space ideal for relaxing or entertaining.

Raised Terrace

Located behind the rear garden, this raised paved terrace provides an additional outdoor space with lovely views over the surrounding hills. It is enclosed with low walls and a metal gate, offering a private and sunny spot to enjoy the open air and countryside scenery.

Parking Area

This private parking area is readily accessible from the road, offering convenient off-street parking. It is enclosed by low walls and black metal railings, providing a secure and practical space for vehicles.
