## Location

19 Millers Way is situated within walking distance of all the village has to offer. There are various amenities including a shop, a pub, The White Hart, village hall, doctors surgery and primary school. The house itself takes full advantage of the views towards the village church. The village is situated in the convenient location being just 8 miles from Ipswich which has rail links to London Liverpool Street, Woodbridge which is 6 miles, Framlingham 6 miles and the coast with destinations such as Aldeburgh being 18 miles.

## Description

19 Millers Way was constructed approximately five years ago and still benefits from the remainder of its warranty. The house is understood to be of block construction with brick elevations under a slate tiled roof. It offers well laid out accommodation and benefits from an air source heat pump along with double glazed UPVC windows throughout.

A front door provides access to the reception hall where stairs rise to the first floor landing and there are storage cupboards. Doors lead off to the sitting room, study, cloakroom, and also the kitchen/dining room. This particularly spacious room has east facing windows overlooking the garden and towards the village church. The kitchen area is fitted with a stylish range of wall units and integrated Bosch appliances including two electric ovens, a combi oven/microwave, a full size fridge and freezer along with a wine fridge. There is a four ring halogen hob with extractor fan above. Throughout the room is tiled flooring and recessed spotlighting which continues to the dining area where French doors open to the rear patio. Off the kitchen/dining room is access to the utility room. This is fitted with high and low level wall units along with a stainless steel sink and space and plumbing for a washing machine and tumble dryer. There is a door to the exterior. From the hallway there is also access to the cloakroom with WC and handwash basin, the study which has a window to the front of the property, and also the sitting room. This has LVT flooring and a window to the front of the property.

The first floor landing has an airing cupboard with a hot water cylinder and hanging rail. There is access to the five bedrooms and family bathroom. Bedroom one has fitted shutters and enjoys fine views over open countryside towards the church. It has fitted wardrobes and a door to an en-suite shower room comprising WC, handwash basin and shower unit. The second double bedroom, again with fitted shutters also has a shower room with WC, handwash basin and shower unit. Bedroom three and four are both good size doubles with fitted shutters and windows to the front of the property, one of which has a built-in cupboard. The fifth bedroom is a single with views over the rear garden towards the church. There is scope, subject to the normal consents, to install a staircase from this space up to the attic to create further living accommodation if required. Adjacent to bedroom five is a family bathroom, comprising a bath with shower above, WC and handwash basin.

## Outside

To the front of the property is off road parking. This leads to a large double garage which has two up and over doors to the front and a personnel door which leads into the garden. The garden is predominately laid to lawn and there is a patio area abutting the house and raised flower beds. In one corner is an excellent studio which is being used as a gym. The rear garden measures approximately 65' x 40'.
