Overall the site offers an excellent opportunity for a spacious modern detached bungalow, which would suit a retired couple with lush greenery surrounding it, in the pretty rural countryside near Torrington. Offering buyers, the very best combination of a private position yet only moments to Torrington and the amenities the town includes.

Great Torrington is a charming market town in North Devon that offers a strong mix of everyday amenities alongside a relaxed rural lifestyle. The town has a good range of independent shops, cafés, pubs and regular markets, particularly in its historic pannier market, giving it a lively but community-focused feel.

Residents also benefit from cultural facilities like The Plough Arts Centre, as well as nearby attractions such as RHS Garden Rosemoor and extensive walking and cycling routes, including the Tarka Trail.

What really draws people to the area is its setting - perched above the River Torridge and surrounded by rolling countryside and commons with miles of scenic trails - combined with its friendly community atmosphere and slower pace of life.
