*"This house has been a fantastic starter property. Moving into a newly renovated house as a single occupant with limited DIY skills was ideal. With a community of friendly neighbours, in a rather quiet road, living here has been a joy. The rear garden has been great for hosting friends, whether it's for a barbecue or making our own pizzas, and as a south-facing space it's definitely a real sun trap. The kitchen's breakfast bar is a lovely communal area where we've enjoyed hosting fondue evenings and relaxed dinners. Having since settled down, myself and my partner are now raising a young family. We're looking to expand our family, property size and to buy together. Thank you Lisburn Road, you have been a pleasure."*
