Hugo Road, N19

A handsome double-fronted Victorian home with exceptional light, generous proportions and a mature garden, set on one of Tufnell Park's most desirable tree-lined streets.

This distinctive five bedroom house combines elegant period architecture with a beautifully designed open plan kitchen and dining space. Two impressive, high-ceilinged reception rooms sit either side of the original staircase, both exceptionally light with bay windows and French doors opening to the garden.

The lower ground floor forms the heart of the home, featuring a generous open plan kitchen and dining area with full-height bi-fold doors opening towards the garden. The first floor provides three double bedrooms and a family bathroom, with an additional wet room on the half landing. Separate raised ground and lower ground entrances offer excellent flexibility, while the very large loft offers significant potential, subject to consents, for two further bedrooms or a luxurious principal suite.

Hugo Road is a quiet tree-lined road in Tufnell Park, within half a mile of Tufnell Park station and the shops and cafés on Fortress Road, and in the catchment for sought after schools, including Eleanor Palmer, Torriano and Yerbury Primary.
