A charming three bedroom mid-terraced cottage, believed to date back to the early 1900s, enjoying a delightful semi-rural setting accessed via a country lane, whilst remaining within easy reach of Balderton's excellent range of amenities and schooling.

The property offers well-presented living accommodation comprising an entrance hallway, a cosy living room centred around an attractive open fireplace, and an open-plan kitchen and dining area to the rear. The kitchen was comprehensively refitted in 2021 with a quality range of Sheraton painted units complemented by integral Neff appliances and also features a charming wood burning stove, creating a practical yet characterful heart to the home.

To the first floor, the accommodation is arranged around a central landing and includes three bedrooms together with a family bathroom.

Outside, the cottage is set well back from the lane behind a generous frontage incorporating a wide driveway providing off-street parking for up to two vehicles, alongside a front garden area. To the rear, there is an enclosed garden offering a good degree of privacy and outdoor space for both relaxation and entertaining.

Further benefits include UPVC double glazing and electric storage heating.

Despite its peaceful tucked-away position, the property remains conveniently located for a wide range of local amenities within Balderton, including Sainsbury's supermarket, Tesco Express, Netto, a selection of local shops, three public houses, Chuter Ede Primary School, Newark Academy and The Suthers School.

Balderton is one of Newark's most popular and well-established villages, positioned just to the south of the town and offering an excellent range of everyday amenities within easy reach. The village has grown over the years whilst retaining a strong sense of community and remains particularly popular with families and commuters alike.

The village provides a wide variety of amenities including local shops, supermarkets, cafes and public houses, together with a medical centre and leisure facilities. Education is well catered for with the highly regarded Chuter Ede Primary School and The Newark Academy both located within the village.

Balderton also benefits from excellent transport connections. Newark town centre lies only a short distance away, offering a wider range of shops, restaurants and leisure facilities, together with two railway stations. Newark Northgate provides direct rail services to London King's Cross in approximately 75 minutes, making the area highly attractive for commuters. The village also offers convenient access to the A1 and A46, providing straightforward road links to Nottingham, Lincoln and beyond.

This mid terraced cottage, likely to date from the early 1900s, is constructed of brick under a slate roof covering. The windows are uPVC double glazed and heating is by electric storage heaters. Additionally there is a log burning stove in the kitchen and an open fireplace in the living room.
