Now available for sale, this traditional three-bedroom terraced home is situated along Darlington Street East, conveniently placed for Wigan town centre. Rail links to Manchester and Liverpool are within easy reach, along with straightforward access to the M6 and M61 motorways.

The accommodation is entered via a traditional entrance hallway, with stairs rising to the first floor, and leading through to a spacious open-plan living and dining room. With windows to both the front and rear, this room is naturally bright and well balanced. The kitchen is positioned to the rear of the property and provides access out to the rear yard.

To the first floor, arranged around a generous landing, are three well-sized double bedrooms and a family bathroom fitted with a bath with shower over, WC and wash basin.

Externally, the property is pavement fronted, featuring attractive stone detailing around the entrance. To the rear is an enclosed yard with a large garage. While the garage is not accessible by vehicle, it offers useful storage space.

The property is offered for sale with no onward chain and would suit both family buyers and buy-to-let investors.
